

## Robin Learning Log Homework Tasks

### For the First half of the Spring Term

Dear Parents and Carers,

Thank you for your support with your child's learning at home. There was some great research and fantastic writing! 😊

The children who completed 2 tasks, each earned 2 golden tickets for the prize drawer to win something from the golden box at the end of term.

Year 1 children are asked to complete **one learning log task each fortnight**. This task should take a total of approximately **30 minutes**. Your child can choose which tasks (**2 out of the 3 below**) to complete, and which order to do them in. They can decide how to tackle and record their chosen tasks, including drawing, labelling, writing, using photos, making pictures and making models. Your child can record directly in their learning log, or we will photograph their work as appropriate and stick in the photos to show their learning. If you have any questions or concerns about your child's homework, please come in and see us. Thank you.
