You could use small stones if you have any and felts to make the spots (they could then live in the garden!), card and felts etc Learning: language of addition, number bonds to 10, doubling

Topic:	The World around us!
	<p><b>Birds</b></p> <p>I wonder how you got on yesterday? Did you hear or see any birds? Have you started to fill in your bar chart?</p> <p>Today I would like you to look at the picture below and talk about what you see to a grown up. Please let your child talk first - they may decide to make a story up about what is happening. If they need some help with prompts, some questions you could ask are:</p> <ul style="list-style-type: none"> <li>• What is happening in the picture?</li> <li>• Why are the birds carrying the tree?</li> <li>• Where did the tree come from?</li> <li>• Where are the birds taking the tree? How long will it take?</li> <li>• Will they stop on the way?</li> <li>• What will happen when they get there?</li> <li>• Why might a tree need moving?</li> <li>• What are the birds using to hold the tree?</li> <li>• Why did the artist use these colours?</li> </ul>
